

What is it?

- 4 short sessions of learning songs or rhymes that you and your baby can enjoy together—anytime, anywhere

Why do it?

- to encourage your baby's communication skills and to give you both a fun time to interact. Each session gives you information about how singing/playing can help your baby communicate

When and where do we do it?

- Infant Development Consultants can do Baby Goose sessions at groups like Healthiest Babies Possible, Baby Talk, Strong Start, community playgroups and during home visits. Call us to find out where and when the next group is being offered 250-833-0164 ext 3.

There is no cost for this fun program..

Just call the

Infant Development Program

At 250—833-0164 ext 3

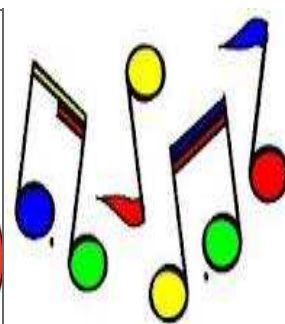

to invite us to attend your group.
