

Come out and celebrate the Early Years Fair

On January 26th from 9:30 – 11:30 at the Downtown Activity Centre Gym will be the place to be for families with children of pre-school age. The Shuswap Early Childhood Development Committee, School District #83 and the Literacy Alliance of the Shuswap are co-sponsoring what is going a great way for families to spend the morning.

The morning includes entertainment from Roxy, games, prizes, snacks and refreshments. Each child will receive a pass book which can be stamped by visiting the many booths and displays of children's programs and services available to families in the Shuswap.

Some of the information booths will include: Speech and language, vision and dental screening, Public Health services, Mother Goose and Healthiest Babies programs, Car seat safety, Recreation programs, Strong Start and services for children with special needs.

Story-time will be set up in a reading corner for the tots needing a rest and there will be toys and crafts available to keep little fingers and minds busy. The event is free and is a second annual.

The purpose of the event is for families to be informed of the many resources that are right here in Salmon Arm. The event is also part of the Unplug and Play week.

More information on Unplug and Play is available at www.shuswapliteracy.ca and more information about the Early Years Fair can be found by phoning or emailing Sue Rossi at ecd@shuswapchildrens.ca - 250-833-0164.

See you there.
