July & August 2018

Summer is fast approaching here at the Loft, and we have planned seven weeks jam-packed full of fun and adventure. We look forward to all our friends, old & new, coming along for the ride!

In order to move some clients off our waitlist, we are offering **two days of service per week per child** at The Loft this summer. We ask that you please take a minute to choose two days per week you & your child are interested in and return your registration as soon as possible to secure your days as it is a *first come first serve basis*.

We will be open Monday through Thursday. **Monday, Tuesday and Wednesday** we will run from **10 am until 3 pm** with the exception of Monday, July 16th, as a 10 am – 4 pm day. **Thursdays** we will be on a faraway adventure and need some extra time for traveling & will return at **4pm**. Each day has a new adventure waiting. Please check out our calendar for more details.

We are charging **\$25 a day** this summer to help to cover the fees of the field trips, snacks, and mileage as we travel a lot in the summer. **If the fees are a barrier** to your child attending, **please** talk to Tracey or Angie and we can work something out!

We request that all Lofties please come ready to have fun. Each day we may need a **change of clothes, sweater, bathing suit, towel, hat, sunblock & a water bottle**. We also request your child come with **a lunch and a least one snack**. The Loft will be providing one snack daily as well. Extra spending money for some trips is optional. If you wish, you may leave a bag at The Loft with the daily items you need so there is less to pack each morning.

To ensure safety, we are asking that if your child requires a booster seat or personal flotation device you let us know in advance so we can be prepared! On another safety note, The Loft has regulations regarding administering medication. We are required to **have all medication in blister packs** from your pharmacist, with an additional list of side effects for our files.

If you have any questions or concerns about our planned activities or our trips please feel free to call. We look forward to another great Loft summer.

Tracey, Victoria, Angelina, Janelle, Jamie, and Jeff
