Shuswap Children's Association

Description of Programs and Services

FREE programs:		
For families with children with a diagnosis or support needs. Our staff visit families at their home, at our office, or virtually.		
Program	Age Range	Program Description
Infant Development	0 to 3	Supports children who have or are at risk of developmental delays or a diagnosis
Physiotherapy	0 to school entry	Improves development in movement, mobility & muscular difficulties
Occupational Therapy	0 to school entry	Assists support needs or learning difficulties with daily living activities
Supported Child Development	0 to school entry	Support and consultation for children needing extra support to attend a child care program
FASD Keyworker	0 to 18	Helps families and professionals understand FASD
Family Support Worker	For parents with children 0 to 18	Support for families facing difficult situations or a diagnosis
A Pathway to Hope	0 to school entry	Support for children with behaviours related to mental health concerns

Fee for Service Programs:		
There is a fee for these services. Children/youth do not need a diagnosis to attend. Families can pay through autism funding, distributed learning funding, grants, or private funds.		
Program	Age Range	Program Description
Nest Positive Behaviour Support and Autism Services	0 to 5 at start of service	Communication, activities of daily living, tolerating, transitioning and other skills based on individual need
Project Affinity	8 to 13, participate without 1-1 support	Small indoor peer groups, fun themes, social and group skills
Friends & Leisure Youth Recreation (FLY)	8 to 18, participate without 1-1 support	Small peer groups. Try a variety of recreation activities, learn new skills, enhance life and social skills, and make new friends. FLY offers a variety of programs throughout the year
